

Reusable bags

Last Updated Tuesday, 19 July 2011 10:11

When it comes to using plastic bags to carry home your purchases, just say “No, thank you” whenever possible. Reusable bags are readily available from many merchants.

Plastic bags are a major component of litter in our area and can be seen blowing down the streets and across open spaces. By declining plastic sacks, you’ll be contributing to a cleaner, greener Pullman.
